Stanton Homes and Wilkinson Supply Offer Unique Homebuyer Program

Significant Discounts Offered to Support Military and Veterans through growing “Stanton Homes® for Heroes” program

Raleigh, NC – March 12th, 2009 – “Stanton Homes® for Heroes” is proud to announce a significant discount on whirlpool tubs in new homes built for veteran and military families, through its latest partnership – Wilkinson Supply Company, in Raleigh. Wilkinson Supply Company is the latest in a long line of distinguished companies that have joined with Stanton Homes to provide a better building experience – real value with real discounts – for people serving our country through military service.

Wilkinson Supply Company, a Raleigh company with 40 years of experience, has committed to support military and veterans by providing discounted whirlpool baths, to add to the many discounts already available on Stanton Home features.

“We’re pleased to partner with Wilkinson Supply Company with this special incentive,” said Stan Williams, CEO of Stanton Homes. “More than ever, home buyers are looking for a way to really enjoy their homes and relax at the end of a stressful day. What could be more enticing than a whirlpool bath!”

Wilkinson Supply Company is offering a significant discount on any upgrade from a Stanton Homes soaking tub – which comes standard with every Stanton Home* – to a full whirlpool tub.

“One can only imagine the amount of stress thrust upon these incredible people while in service to our country,” said Michelle Silvis, Showroom Manager at Wilkinson Supply Company. “Any means of alleviating some of those stresses we wholeheartedly endorse for we feel they have more than deserved it.”

Wilkinson Supply Company has been in business in the Raleigh area for over 40 years, and offers everything from top of the line appliances to bathroom and kitchen plumbing. Their spacious showrooms in North Raleigh, Durham, and Carrboro make it easy to visualize those special features in a new home.

With the addition of Wilkinson Supply Company, the Stanton Homes® for Heroes incentive program, already one of the largest in the country, continues to grow even stronger.

“Check out our website to see all the ways you can save through the Stanton Homes® for Heroes discounts,” said Williams. “We’re really proud of the thousands of dollars we’re able to put back in the pockets of our military families, starting with our own discount – which is often close to \$10,000 – and other huge money saving initiatives such as a \$2000 closing cost discount through one of the builder’s preferred lenders and other discounts through Sears Commercial, Lee Brick & Tile Inc, Healthy Home Insulation, The Countertop Factory, Timberlake Cabinetry and others.”

The “Stanton Homes® for Heroes” discount program is available for all Veterans, retired, and active duty military, including all branches of the Armed Forces, Reserves, and National Guard, who have served honorably for at least one year. Any Stanton Home may be purchased through the program, whether complete, under construction, or custom designed on a Stanton Homes lot or the buyer’s. These discounts are available to all Veteran or military homebuyers on the purchase of any new Stanton Homes custom-built home, anywhere in or around North Carolina’s Research Triangle Park region.

“These discounts really add up,” said Williams. “The three percent discount on the price of a new home amounts to \$7500 off a \$250,000 custom home. With a 100 percent VA Loan, this amount could cover closing costs, allowing a Veteran or military homebuyer to get into a home with no cash out-of-pocket – and first time homebuyers are also qualified! Add on the discount from our other Stanton Homes® for Heroes partners, such as Wilkinson Supply Company, and you’re saving a lot of money on an incredible home – with outstanding features, workmanship and value you won’t find anywhere else. Include the new government \$8,000 stimulus and today’s low loan interest rates – and you could be building your new home for a lot less than you’ve imagined. It’s a great time to build an exceptional living experience – in a Stanton Home.”

*Starter Series homes by Stanton Homes offer a different set of standard features.

About Stanton Homes
